MUSIC APPRECIATION WEEK						

Music Appreciation Week: March 27 - 30

Do you have a musician in your family?

Last year, we brought in fabulous musicians to share their love of music and talents with our students. We enjoyed hearing an accordion, a cello, the bagpipes, and piano - to name a few. We are planning another fabulous week of music at the end of March and are looking for talent! If you know someone who might like to share their music with our students, we'd love you to let us know! E-mail Shea Mellow at shea.mellow@horizon.ab.ca to chat!

Upcoming Student Musical Talent Show: March 29

You may have heard that we are hosting a musical talent show during our music appreciation week. We've let students know that we are SUPER excited to create an opportunity for them to share their musical talents. We've also told them the details:

- **This is not a school project. Students should not be asking staff to help them learn a new instrument or work on a number in school. This is for students who want to share what they learn and practice outside of school.**

- **Sign-Up for performances in on March 13**

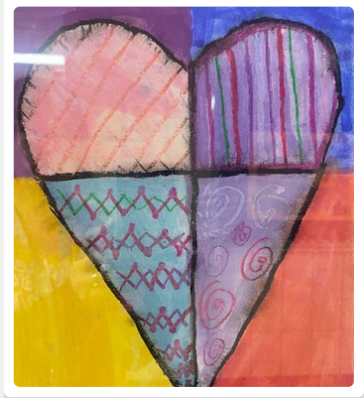

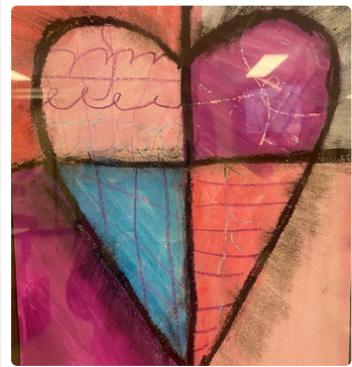

- **On March 22, students will perform their polished musical number for a group of staff members. This is to make sure students have put in the effort and are ready to perform in front of a large**

group.

-On March 29, students will perform for our school!

This talent show is for playing an instrument, singing, dancing, or anything musical. Students can always talk to Mrs. Mellow for more details.

Alberta Education Assurance Survey

All parents of school-aged students will be getting a request to complete a survey in their mail. This survey is different from the one you may have completed for our school in December. This comes from Alberta Education (the government). They are collecting feedback from parents, students, and staff, on schools. We would appreciate it if you'd take a few minutes to complete this online survey.
