School Council Meeting: Wednesday, April 19 - We invite you all!

School Council is about collaborating as a team to ensure we are providing your children with the best experience possible at Central School. We have a WONDERFUL and WELCOMING group of parents who are currently leading our school council and they are always eager for more people to join.

Please know:
- You do not need to committ to coming to all future meetings.
- Your can take a small role; there is no huge time committment needed.
- Your voice matters to us - We'd love to hear your thoughts!

Thank you to everyone who supported the Mom's Pantry Fundraising initiative. This will help make our year-end field trips exciting and affordable for everyone. A special thank you to those parents who helped organize this fundraising for our school community!

Included on our agenda for this Wednesday:
- principal's report will review our current school budget and input will be asked for spending priorities for the upcoming school year
- dialogue around next school year's 3-Year plan, class configurations, and staffing
- review of new Wellness curriculum, with focus on the human sexuality outcomes
- Mom's Pantry fundraising update
- hot lunch review and planning
- year end priorities and next year's planning

If you have any thoughts on any of these topics, or would just like to be a fly on the wall and listen to discussion on the topics, please join us at Central School, this Wednesday, at 6:30pm!

Have a wonderful week!
