Playground report- Total cost of new play ground project was \$201,901.84

- Grant reimbursement of \$24,094.58 is being payed back

Hot Lunch- we are looking for a new hot lunch coordinator- this position requires you to be in touch with the local businesses we order from and call in the hot lunch orders. The coordinator will also need to be at the school the day of hot lunch to aid in dividing the lunch into classroom bins.

- a discussion was had regarding bringing back classroom parent reps. The reps would be responsible for finding a couple parents from each class to assist with hot lunch on an assigned date/month. This gives parents a chance to be more involved in the school.

-Mr. LeGrandeur will send a note home to parents regarding the need of a new hot lunch coordinator and parent reps for classrooms.

- we decided as of right now there will be **NO** hot lunch offered for the month of November unless a New Coordinator is found before the end of October.

Fund raising- Still in need of someone willing to take over the fund raising.

- no current plans in place for fund raising as we don't have anything at the moment we need to fund raise for. We have enough funds to cover this years expenses left over from fund raising for the playground that we may take the year off.

Treasurer's report- accounts looked balanced and was decided we have enough funds to cover expenses for this year. Motion by Anna Reimer, second by Wendy Litchfield

-Sheri Gurney made motion for new cheques to be purchased from bank as we are running low. Second by Wendy Litchfield
