Dear Central Families,

Welcome to a new decade, 2020! I hope that over the Christmas break you were able to enjoy some time with those closest to you. We were excited to get back to learning this week!

We are expecting the first deep freeze of the winter season next week! Temperatures will be in the -25 degree range throughout the entire week. Frostbite can occur quickly if skin is exposed to the cold air so please make sure your student(s) leave the home with proper winter clothing. We will be having indoor recess next week, all week long.

Hot lunch goes on Tuesday next week, our grade 4/5's move into after school basketball on Thursday from 3:30-4:15pm. There will be permission forms sent home early next week.

Please join us for our School Council meeting @ 6pm on Thursday evening! It's a great way to get involved in your child's learning and to provide input on the direction of our school. We would love to have you, meetings are generally 45-60 minutes long. See you next week!

**Date change: We are moving our Celebration of Learning evening from January 30<sup>th</sup> to March 5<sup>th</sup>.** Given that we just completed Student led conferences in early December we feel students will be able to demonstrate greater progress by March!

Have a wonderful weekend!

Mr. LeGrandeur
