			Grade 4/5 Basketball 3:30- 4:15pm	CTF 4/5's
				M/W Kindergarten

Dear Central Families,

The deep freeze is coming to an end...hopefully! Students have been engaged in indoor recess all week. They have had some extra gym time and also some breaks in their classrooms. They must be looking forward to getting outside again soon!

Parents of grade 4 and 5 students should be receiving Accountability Pillar Surveys, if you haven't already. Those surveys help us to measure the perspectives of parents, students and teachers regarding the general health of our school. It is your opportunity to share feedback to help us improve. If you receive the survey, please consider completing it and sending back to Alberta Education. The survey can also be completed online. Thanks so much!

In an effort to increase participation and attendance at our School Council meetings, we are moving our next meeting time to 3:45pm on February 13th at Central School. We will alternate between evening and afternoon times moving forward to accommodate more members. Please consider joining us, it is a great way to stay involved in the school. Meetings last about 45 minutes and occur monthly. Give us a call at the school if you have questions.

Reminder of the Date change: We are moving our Celebration of Learning evening from January 30th to March 5th. Given that we just completed Student led conferences in early December we feel students will be able to demonstrate greater progress by March!

Grade 4/5 basketball continues this Thursday from 3:30-4:15pm in the gym, our Jamboree is in Barnwell on the afternoon of Friday, February 28th. We are getting ready!

Have a wonderful weekend!

Mr. LeGrandeur
