

Principal's Report for January 16th, 2020– School Council Meeting

1. Christmas Concerts were well-attended and the feedback received was positive regarding student performance! We did see some of our families out for Craft Night and students appeared to enjoy themselves, although there has been a decline in attendance and also volunteer support. Next year, crafts will be offered during the last week of school before Christmas break.
2. We have moved our Celebration of Learning from January 30th until March 5th, 2020. (our snow storm in November has compressed everything together. The March date will allow students to demonstrate further growth.
3. Grade 4/5 basketball began today! Practices go on Thursdays from 3:30-4:15pm, and our Jamboree in on the afternoon of Friday, February 28th at Barnwell this year. Thanks to Mr. Pulfer for leading this!
4. Thank you to the members of Council for organizing and staffing the concession at the Volleyball Jamboree! It was a highly successful event, our largest Jamboree to date!
5. Grade 1-3 CTF begins in March, it will provide our younger students with a chance to enrich their learning in areas of interest of passion! Offered on Fridays for an hour, same as the 4/5's.
6. Accountability Pillar Surveys are active. Parents of grade 4 and 5 students are mailed a copy of the survey, our students and teachers also complete the survey online in the next few weeks. The survey results help guide our school improvement plans each year. It is really important that we have as much parent engagement as possible on this survey.
7. Feedback for me:
 - a. Are there things you would like to see happening in the school?
 - b. Do you have enough opportunities to get into the school?
 - c. What would you like to be involved in at the school?
8. Important dates:
