Dear Parents,

We are unsure what the fall will look like due to COVID-19. In order to best prepare, we are wanting students to have their own supplies to prevent the potential spread of the virus. We would like to add another item to the supply list, a Rubbermaid plastic container to store their textbooks, math manipulatives and other necessary supplies. We have attached a visual of what we are thinking will work. It is a Rubbermaid Roughneck bin. It is approximately 30 cm (length) x 20 cm (width) x 28 cm (height).

If you have any questions please feel free to contact Ms. Hierath (laureen.hierath@horizon.ab.ca) or Mrs. Harding (rhonda.harding@horizon.ab.ca).

Sincerely,
Mrs. Harding and Ms. Hierath
