

Central School Weekly Update For the Week of September 7-11, 2020

Monday, Sept. 7th	Tuesday, Sept. 8th	Wednesday, Sept. 9th	Thursday, Sept. 10th	Friday, Sept. 11th
Labour Day No School				Deadline to return demographic update forms
				Tu/Th Kindergarten day

Dear Central Families,

Thank you so much for your support over the first week of school. Your students were AWESOME and we are so pleased to have them back with us! This is a different start to the school year, but so far everyone is adapting!

Next week, there is no school for students on Monday, due to the Labour day holiday. We look forward to seeing students again on Tuesday. During the first week of school “demographic update forms” were sent home. Please send them back to the school with your student by Friday, September 11th.

There are lots of things that are different this year at Central. Here are a few reminders for families:

- We are trying to limit outside contact with those inside the school. Please call before entering the building.
- If you have something to drop off for your student, please contact the office and we can make arrangements to get the item to your student.
- All adults must wear a mask in order to enter the building.
- We are unable to hold assemblies at this time, we are exploring possibilities and will keep you posted.
- We will no longer be selling milk to students during the noon hour.
- Students will receive a healthy snack through our nutrition program on Monday through Thursday morning. (apple/orange/banana slices, cheese strings, granola bars and yogurt are examples) All snacks are served individually by our nutrition worker
- Thank you for completing the “Should My Child Attend School?” assessment if your student is feeling ill.
- Thank you for reporting symptoms to the school if your child is ill.

There is a calendar for the month of September and October attached. Calendar information can also be found on our website: central.horizon.ab.ca

Please stay safe and enjoy the long weekend!

Mr. LeGrandeur
