Dear Central Families,

We have all been working hard to get used to the new routines at Central this year. Our students have been absolute rock stars! We are so grateful to have them back with us.

Our Terry Fox run was a wonderful opportunity to profile a true Canadian hero while sharing some of our generosity with the Terry Fox Foundation. Our goal was to raise \$400 this year and thanks to our Central students and their families, we met that goal! We raised \$402.25 The weather was beautiful for our walk and it was nice to see students getting some fresh air and exercise together.

Thank you to those who were able to make it out for our first school council meeting of the year. We discussed the process for hot lunches this year as well as a purchase of some apparel for students. We will be looking to refresh our logo this year. Thanks so much to our school council for helping to provide our students with some school spirit wear.

The upcoming week is a short week for students as teachers will engage in Professional Development on both Thursday and Friday. We will be working on developing Instructional Support Plans and English Language Learner Plans for individual students over those days. As such, there will be NO SCHOOL for students on Thursday and Friday.

Thank you to all families for your support with keeping your student(s) home if they are not feeling well. The latest update on protocols for self-assessment from Alberta Health Services can be found here: [english](#), [spanish](#), [low german](#)

We want our students at school, but we also need to keep everyone safe. Thank you for your continued efforts and support in this area!

Please stay safe and enjoy your weekend!
