We want to hear your voice- Think about joining School Council!

A strong partnership between the home and school is very important to us. At the Welcome back BBQ, look for the School Council table to learn more about how you can support Central School and our students.

Connecting with your child's teachers....

At Central Elementary, we make communication a priority. We want parents and guardians to feel like partners in their child's education. As a school, we will send weekly updates and communicate school information through School Messenger and email. All important information is also updated on our school website: [click here](#). We also update our school Facebook page and Instagram, to offer a window into our school and student learning.

Classroom teachers will communicate individually and also through their own platform, mainly the use of SeeSaw. Please await instructions from your classroom teacher. Most importantly, we encourage you to connect with the school often - our entire staff is eager to support each family.

Teachers are available during school hours, from 8:00 - 4:00, to respond to parent emails/ phone calls as they have time. Please be considerate of this timeframe, and expect replies only within those times. All emergencies can be directed to the school or through email to the principal, at shea.mellow@horizon.ab.ca.

Our office staff is available from 8:00 - 4:00 as well, and can be reached at 403-223-2170.

Bell Times

8:20 am: Bell rings to come into school (there will be supervision outside at 8:10 am)

12:00 - 12:30 pm: lunch and recess

3:20 pm: Bell rings to end school

Alberta Gov't offers funding support to families for kids' sport

Funding of \$1.85 million will support more than 7,000 children, as KidSport Alberta will distribute up to \$250 per child to assist with registration costs for sport programs across Alberta. Parents can apply for funding through KidSport Alberta and use the grants to offset registration fees for organized sport programs such as lacrosse, swimming, soccer, gymnastics and dance. Applications open on June 29 and will be accepted until the funds are distributed.

We're excited to see everyone next week!
