Wild West Day!

Our spirit committee organized a Wild West Day last week. Students enjoyed a themed day of treats and games at recess. Mrs. Downey always pulls through with fabulous snacks on theme days - thank you! Our spirit team leaders did a really fantastic job running some lassos, three-legged races, and animal round-up games for students at recess. Well done, team!

Stay Warm!

Please remember to send your kiddos with warm outdoor clothing next week as recess can get pretty chilly when those temperatures drop!
