Christmas Concert: Dec 20, 6:30 pm

It's gettig C-C-C-Cold outside!

As winter joins us, please double check each morning to make sure your children come dressed in warm clothes for thier time outside. If you are in need to some support for new winter mittens, toques, jackets, or boots, please reach out to the school. We can happily direct you to programs in the community who can help. We also have many items here at the school.

If you have winter items in good condition that are ready to be donated, please feel free to bring them to the school. We will keep what is useful for our wellness program and can pass along things

that aren't suitable to a donation location. We often have kiddos in need of some warm items here at school.

Barrell Oil Corp. - Thank you for your donation!

Barrell Oil Corp. has generously supported our nutrition program through their donation to Central School. Their recognition of rising food costs, creating a strain on so many families, is much appreciated as we aim to provide nutritious breakfasts, lunches, and snacks to a growing number of children in our school. Thank you, Barrell Oil Corp. for supporting kids in our community. Your generosity is greatly appreciated!

What happens if a 'SNOW DAY' is called?

If Horizon School Division let's us know that a 'snow day' is happening, and there will be no classes at Central School that day, you can find out:

- a) on our Horizon S.D. website: www.horizon.ab.ca
- b) by listening to local radio stations
- c) our School Messenger system will send out the message through email and text, as soon as we know
