Horizon Assurance Survey Coming out Soon!

Central Elementary School and Horizon School Division want to hear from parents!

We work very hard to create the very best education for your children - and we want to hear how things are going so we can keep responding to the needs of families and students.

Watch for the link to the short survey coming out on Thursday.

Last year, we only had twelve parents complete this survey. This year, we hope to hear from many more of you. School Council has generously donated two gift cards for local businesses (grocery store and restaurant). **Anyone who completes the survey will have their name added to a draw for these gift certificates, worth \$100.**

You will have a chance to complete the survey right on site when you come in for your parent/ teacher conference on Thursday. Those of you who can't complete it there will have the option to complete it using a shared link.

Thank you, in advance, for taking a few moment to provide feedback on Central School and your child's experiences here.

Have a SUPER weekend!
