## *Courtesy Request for Parents*

Please try your best to call the office with changes to your child's day as early as you can. Phone calls late in the afternoon make it difficult to manage changes to pick-up plans for our population of over 200 students.

We thank you all for considering our busy school and staff and the priority we place on making sure each child gets to who and where they need to be at the end of the day! It's so much easier to do when we know in advance. :-)
