What a day! Welcome Lethbridge HURRICANES!!!

Central School welcomes Lethbridge Hurricanes Hockey Players

Thanks to the efforts of Ms. Shim, all students were able to enjoy an afternoon celebrating the skill, sportsmanship, and honour of three Lethbridge Hurricanes players. Our assembly included a Q & A where grade 4 & 5 students asked really wonderful questions to the players. Their messages were awesome for our students to hear. Then, the fun really began with games and great displays of skills. As you can see by the few select photos of our afternoon, this experience was definitely a highlight for so many! A special thanks to Ms. Shim to organizing this incredible afternoon for our students!

Alberta Education Assurance Survey

As parents, you should be getting information on a survey that Alberta Education puts out. This will come to your mailbox. It is an online survey asking questions about your experience with Central School and Horizon School Division. We'd love for you to take a few minutes and fill it out! If you have any questions or need help filling it out, don't hesitate to call the school!

Next School Council Meeting: Thursday, Feb. 16

Calling all parents: Please consider joining the conversation and helping make Central School even better! Join us - Thursday, February 16, 6:30 pm in the Learning Commons at Central School.
