Complete Section 1, 2, or 3 below

- 1. **Transportation request for eligible student to designated school** YES NO
- 2. **Transportation request for NON-eligible student to designated school** YES NO
- 3. **Transportation request to NON-Designated School** YES NO

If YES for number 3 above, Reason for requesting that the child attend a non-designated school?

As per *Policy EEA Student Transportation*, parents making a request to have their child attend a non-designated school shall submit a registration form by June 1 preceding the commencement of the next school year. Such requests will not be processed before September 15 as the Board is unable to determine whether there is available funded bus space as we are obligated to wait to ensure late student registrations (students registering for their designated school) can be accommodated on the bus.

I/We understand that registration and transportation service eligibility and approval is outlined in *Policy IC School Attendance Areas and Policy EEA: Student Transportation* and understand that registration and transportation service may be revoked to accommodate students attending their designated schools and/or students eligible for transportation.
